

Experience Universidad Europea

An innovative university connected with the real world

Our goal is to provide you with a personalized development plan from the moment that you start at the university. We are able to do this thanks to our international educational model which is connected with the professional world and of outstanding academic quality.

Universidad Europea has four campuses in Spain:

- 📍 **Madrid**
Villaviciosa de Odón Campus.
Alcobendas Campus / Real Madrid Graduate School
- 📍 **Valencia**
- 📍 **Canarias**
La Orotava Campus
- 📍 **Online Campus**

An educational model focused on your professional development

You will develop your skills through experiential learning

You will have the opportunity to face real situations and cases by resolving projects using an experiential methodology, accompanied and supervised by approachable and highly committed professors, at state-of-the-art facilities with the latest technologies.

Stand out in the professional world with a unique certificate

When you graduate, along with your academic transcript you will also receive the Laureate Professional Assessment (LPA), certifying you in the skills most in demand by companies: leadership, communication, teamwork, etc.

This certificate also includes the activities of added value that you have completed at the university, such as internships, periods of study abroad and social responsibility projects.

You'll become an all-rounded professional.

QS STARS

We have received recognition from independent bodies who have accredited the quality of our institution, such as the "QS Stars" international rating system, which has awarded us four out of five stars.
