THE FASTEST WAY
TO THE **BEST**
UNIVERSITIES
IN **GERMANY**

GET READY

**LET'S START
TOGETHER**

SID Institut offers **rigorous courses** in an accelerated timeframe **to prepare students** to successfully enter the **German university system**. In this regard the Institut has designed the courses in a manner that would not overburden the students when they start studying while also **finishing the course in 32 weeks**.

An **international student** requires additional services that would make their **stay in Berlin easier** while simultaneously receiving a **world class education**.

SID Institut provides 2 types of courses.

STUDIENKOLLEG

(T/W/M/G) with/without Deutsch

PATHWAY PROGRAM

An intensive German course + prep math course designed to bring you up to a C1 standard in 32 weeks.

The logo for SID Institut, consisting of the letters 'SID' in a bold, sans-serif font, is positioned in the bottom left corner of the page. It is set against a white rectangular background that partially overlaps the dark grey background of the page.

SID

STUDIEN- KOLLEG

The Studienkolleg functions as a 'bridge' between **secondary education** and **university studies**. Also, it can help students to adjust from the academic culture of their home country to the academic culture in German educational institutions. Studienkollegs offer courses tailored to the **needs of international students**, in order to prepare them for further studies in the German system. **Highly qualified educators** and administrative experts work with students to **design the right path for success in Germany**.

The German language is essential for entrance into a good university and for life in general in Germany. Unfortunately many students have not or could not learn German in their home country. The pathway program is an intensive German course + prep math course that is designed to bring the students up to a C1 standard in 32 weeks. Students are then able to apply for any public studienkolleg since they will be provided with the necessary German knowledge to achieve success.
