The years that I spent here have helped me grow professionally and personally. I would also like to thank the Placement department who helped us constantly and has helped me receive multiple offers. Ankit Khatana, School of Management, GDGU

“ My journey with G D Goenka University was knowledgeable, motivating and full of surprises. The curriculum provided me with a multiple opportunities to explore through industrial trips, guest lectures or campus recruitments. Moreover, the faculty is remarkable as they are highly qualified, friendly and approachable. The lush green 60 acre campus is sure to leave anyone spellbound. Goenka gave me a platform to portray my talent as a student, classical dancer and a sports person which boosted my overall confidence. I wish to express my respect and gratitude to all my faculty members and thank all my friends for being part of this wonderful journey which will be reminiscent of glorious college days”

“ I have learned so much and made some really good friends and memories here at GDGU. One of my professors recently said at GDGU it is never about the grades or marks it is about the lives and she couldn't have been more accurate. The School of Management and all that goes with it can be easily metaphorically compared to a family. One that is propelled by a sense of concern and care for all members. A big thank you to all the faculty who are always encouraging be it in academics or extra-curricular endeavours one might undertake both within and outside the campus.”
