VISION

School of Humanities and Social Science aims to promote excellence in teaching and research, and inculcate in our students intellectual and human abilities. We aim for our students to be reflective, thoughtful and inquiring individuals with deep sensitivity.

MISSION

- Generate new knowledge and nurture ethical and evidence based research
- Promote inter-disciplinary and collaborative learning
- Build bridges and promote cross learning between academia, practitioners and industry
- Provide a dynamic learning environment and promote diversity of ideas
- Contribute to the development of the respective disciplines
- Enrich and contribute to the larger community

INTERNATIONAL COLLABORATION

The School of Humanities & Social Sciences has a MoU with the University of Nottingham where students have an opportunity to go for Study Abroad Programme in selected areas, at the University of Nottingham, ranging from one semester to one year, with a scholarship.

INTERNSHIP & PLACEMENT

ABOUT THE UNIVERSITY

The GD Goenka Education City is set on 60 acres with the ancient and picturesque Aravalli hills as the backdrop. The high-tech Millennium City, Gurgaon and the National Capital Region are just a stone's throw away. G D Goenka University is guided by the philosophy that new thinking in the areas of teaching, learning, research and training are pivotal to making students tomorrow's leader and giving them a world view. The knowledge and proficiency of the students make them assets to any domain in today's world. Over the years G D Goenka University has established itself as one of the centres of academic excellence in the field of education.

ABOUT SCHOOL OF HUMANITIES & SOCIAL SCIENCE

Established in the year 2014, the School of Humanities and Social Science (SoHSS) constitutes a whole universe of intellectual domains, spanning the entire range of knowledge pertinent to human relationships, our history and prospects for the future. SoHSS provides liberal education in true sense of the term - encouraging refinement in reasoning, openness to new ideas, excellence in communication, and a commitment to democratic values and ethical behavior. We aim for our students to be reflective, thoughtful, and enquiring individuals having sensitivity and purpose. The courses are interdisciplinary in nature and are designed to make students ready to apply skills in the real field. Our constant endeavor, as a School, is to organize programs and activities that help us move towards our vision. In the last three years we have conducted various guest lectures, documentary/movie screening followed by discussions and sensitization weeks on pertinent issues enabling students to have a broader vision.

SALIENT FEATURES
