### Valentin (Belarus) International Affairs

"I decided to attend NAU for a number of reasons. The most important were excellent scholarship opportunities for international students, tuition that is promised to be the same for four years, good programs, and a beautiful campus, as well as good sports facilities and the climate."

#### Hotel and Restaurant Management

"I chose Northern Arizona University because I loved the academic plans offered. When I moved to Flagstaff, I did not expect that I would adjust and become part of the community so quickly. NAU has many events that students can enjoy and good academic support services to help students succeed. In my experience, joining a club helped me to make friends while sharing my culture."
