

Warm greetings & good day!

I am writing to take this opportunity to express our appreciation to Pearson and UniAgents team for free newsletter promotion and featured account. In addition, I would like to say a big thank you to all UniAgents team especially Mr. Anant the Project Manager at UniAgents for all your support and help.

Besides, I am pleased to inform you that we have received 102 agents' interests from 18 countries (most from India, Pakistan, Nepal and Bangladesh) which have been quite impressive and have signed contracts with 10 Agents.

Currently, we have made an initial contract with the agents and we hope can recruit some students through them. However, if Pearson can also make an initial phone call to agents who are interested it is highly appreciated.

Moreover, since we have not received any agent interest from Gulf countries I want to also make another newsletter promotion request to roll out just to all your agents from Gulf Countries (e.g. Bahrain, Kuwait, Yemen, Oman, Lebanon,...). If Pearson can also do that promotion one more time for us that would be great and highly appreciated.

Once again, appreciate your all help and efforts and hope for further fruitful cooperation.

Looking forward to hearing from you.

Thank you,

Best regards by;
