**GOLDEN GATE
UNIVERSITY**

MASTER'S DEGREES

Golden Gate University (GGU) is located in the heart of San Francisco, close to Silicon Valley and just steps away from the Financial District — surrounding you in opportunity.

GGU has a long history of educating adults — like you — who are balancing the complex demands of life. At GGU, we recognize the value of your education and work background, and we will help you leverage your experience to accelerate your progress toward a degree.

GGU gives you real-world knowledge from instructors who are practicing professionals in some of the Bay Area's largest and most successful organizations. We are a non-profit university, so you know that your tuition goes toward your education — not to shareholders.

As a student at GGU you are not just learning, you are building connections with leaders in your field, working with experienced professionals, and receiving a career-based education. We also offer a full gamut of internships, career development resources, and counseling services to support your academic journey. GGU will give you the tools to achieve your professional goals, and new momentum to reach your personal ones.
